Your Essay

Serving as your Second Vice President and Chair of Program Planning and Development (PPD) during the current biennium has been my pleasure, and it would be a privilege and an honor to serve as your next First Vice President and Chair of Membership Services. During my tenure as Chair of PPD, my team and I FOCUSED on the FUTURE of SCTAC implementing event evaluation tools, automating youth program planning processes and documenting risk management and youth program planning processes which led to more efficient planning. These enhancements allowed us to achieve our goals and maintain chapter compliance. Now I am ready for the opportunity to FOCUS ON YOU - members of SCTAC. Since becoming a member of the chapter, I have witnessed our membership double. As we know, with growth comes an even greater responsibility and opportunity to serve and FOCUS on our members. I look forward to working with the DEARS, Divas, Dolls, Collegiates, newly reclaimed and recently initiated members by collaborating with other chapter leaders to create experiences that will strengthen our enthusiasm for SCTAC and Delta. Utilizing my leadership skills, planning skills, and experience with leading teams and chapter initiatives, I look forward to introducing and enhancing initiatives for motivating, energizing and leading a large committee that will allow us to RECLAIM, RETAIN and SUSTAIN even more sisters to do the work of Delta. I have been doing the "hard" work and the "heart" work since my initiation, and I am READY to serve this chapter as your next First Vice President and Chair - Membership Services.
